The Axis of Litigation Finance

About us

We bring together legal expertise and financial intelligence to create balanced, outcome-driven solutions. Our role is to bridge claimants, law firms, and global funders through transparent, ethical, and strategic advisory.

Legal & Financial Synergy

We combine dispute-resolution insight with funding strategy to ensure every claim is evaluated and positioned with precision.

Neutral Intermediary

We stand between all stakeholders, providing balanced guidance for claimants, counsel, and funders.

Strategic Connectivity

We connect the right cases with the right capital, enabling credible claims to access global funding opportunities.

Outcome-Driven Approach

Every engagement is focused on clarity, structure, and achieving stronger litigation or arbitration outcomes.

At the Centre of Legal Finance

Core Values

Driven by Purpose, Guided by Integrity

Our mission and vision reflect our commitment to accessible justice, ethical funding, and global best practices in litigation finance.

We strive to create a transparent ecosystem where credible claims receive structured support, fair evaluation, and meaningful access to global capital.

Dedicated to Fair Access

Our Vision

To become the most trusted global advisory firm bridging legal merit, financial strength, and fair dispute outcomes.

Our Mission

To empower credible claims by delivering ethical, transparent, and strategic litigation funding advisory across global markets.

Key Offerings

Comprehensive Solutions for Every Stakeholder

ClaimAxis provides a complete suite of litigation finance advisory services built on structure, transparency, and global insight.

1

Litigation Funding Advisory

We help claimants and law firms secure ethical, non-recourse funding by designing structured strategies and aligning cases with reputable global funders.

2

Case Evaluation & Due Diligence

We independently assess legal merit, risks, and financial value to strengthen funding decisions and present credible, well-documented cases to funders.

3

Funder Liaison & Structuring

We coordinate communication, negotiate balanced terms, and structure transparent agreements that align the interests of claimants, legal teams, and funders.

4

Portfolio Structuring & Advisory

We support funders with strategic portfolio management, diversification planning, performance insights, and compliance guidance across multiple litigation investments.

LITIGATION FUNDING ADVISORY

Funding That Empowers Stronger Outcomes

We help claimants and law firms secure non-recourse funding through global litigation funders aligned with ethical and commercial objectives.

Global Funder Access

We connect clients with reputable litigation funders across global jurisdictions.

Structured Funding Plans

We design tailored funding strategies aligned with case needs and objectives.

Neutral Advisory

We provide unbiased guidance ensuring balanced decisions for every stakeholder involved.

Optimized Terms

We help negotiate fair, transparent agreements maximizing benefits for all parties.

End-to-End Support

We manage the complete funding journey with clarity, professionalism, and consistency.

Securing strategic funding for credible legal claims.

CASE EVALUATION & DUE DILIGENCE

Insight That Strengthens Funding Decisions

We combine legal expertise and financial analysis to assess case quality, risk, and recovery potential before funding.

Objective Merit Review

We assess legal strengths independently to validate claim credibility for funding.

Risk Assessment

We identify potential legal and procedural risks impacting case success.

Quantum Analysis

We evaluate damages and financial value to support sound funding decisions.

Due Diligence Reporting

We deliver clear, structured evaluation reports trusted by global litigation funders.

Enhanced Funding Prospects

We strengthen case readiness, improving funder interest and approval potential significantly.

Independent analysis strengthening funding-ready cases.

FUNDER LIAISON & STRUCTURING

Connecting Claims With the Right Capital

We bridge communications, negotiate terms, and structure balanced agreements between claimants, law firms, and funders.

Stakeholder Alignment

We align interests across claimants, legal teams, and funders for clarity.

Ethical Structuring

We structure transparent agreements ensuring fairness, compliance, and mutual protection.

Negotiation Support

We assist negotiations to secure balanced funding arrangements for clients.

Documentation Oversight

We ensure all funding documents meet accuracy, clarity, and regulatory standards.

Relationship Building

We support long-term funder partnerships through trust, communication, and consistency.

Connecting cases with aligned global funding partners.

PORTFOLIO STRUCTURING & ADVISORY

Building High-Performing Litigation Portfolios

We support funders and legal practices in managing multi-case portfolios that balance risk, exposure, and long-term returns.

Strategic Diversification

We design balanced litigation portfolios reducing risk across sectors and jurisdictions.

Performance Insights

We analyze portfolio performance to optimize outcomes for litigation funders.

Compliance Guidance

We ensure portfolio structures align with regulatory standards across relevant jurisdictions.

Reporting Metrics

We provide clear progress visibility through structured reports and performance indicators.

Investor Confidence

We build trust through transparent processes, strong evaluation, and reliable portfolio oversight.

Building stronger, balanced litigation funding portfolios.

Our Process

Integrity, Transparency, and Precision in Every Step

Our structured process protects all stakeholders and ensures ethical, well-documented, and commercially sound advisory outcomes.

We maintain consistency, precision, and accountability across each step to deliver strong, reliable outcomes in every engagement.

Consistent. Clear. Outcome-Driven.

Assessment

Evaluate case strength, merit, and jurisdiction.

Analysis

Detailed legal and commercial feasibility review.

Funder Matching

Identify the most suitable funding partners.

Structuring

Negotiate and finalize ethical funding agreements.

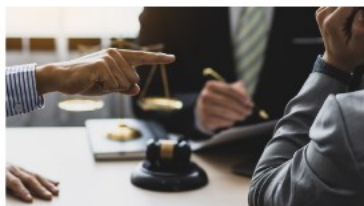

Monitoring

Ongoing support through the lifecycle of the engagement.

Segments We Serve

We provide tailored litigation funding advisory across diverse industries, combining sector knowledge with dispute resolution expertise.

Commercial Disputes

Large-scale contract and trade claims.

Energy & Natural Resources

Oil, gas, and renewable sector claims.

Construction & Infrastructure

Delay, non-payment, and project disputes.
